

Parental leave - planning for the **future**

Are you on **maternity/paternity leave**?

Do you want to **study Swedish**? or
meet other parents and **discuss**
children, school, child-rearing and parenting?

Do you want to **plan for the future** while you
are on parental leave? Do you want to **start work**
or **studies** after your leave?

You come to Merit
when you are able to. We are open Monday-Friday.
You can **bring your child**. We have a staff member
who takes care of your child while you are here.

At Merit you can write a merit portfolio (CV), go on study visits, plan for practical training, apply for jobs, study SFI and Swedish. Your child can come with you. You can come here when you have time. The project is adressed to immigrants.

Please contact Merit if you are interested or have questions! Also please come and visit us at Merit. We are located opposite the Library at Rosengård center.

Or call or email us!
